**Happy
Birthday**

Lincoln Visagie –
21st January

Reminder

TPK celebrating our 9th
Birthday on Friday 3rd
February – Please come and
join in the celebrations

Pre-Nursery & Nursery

We are the explorers,
exploring everything about
our school .

We discovered circle objects
in our classroom and at
home.

It was fun to learn about
ourselves, we sung the head and
shoulders song, looked at
ourselves in the mirror. Then we
identified and completed a
puzzle on body parts.

Reception

We are learning about families. We looked at the similarities and differences between our families. One thing all families share is LOVE.

We shared some of the things we did in class with the rest of the community during our Family Assembly.

We hit the ground running in Literacy and dove right into making sentences with lots of collaboration!

Year 1 & 2

In IPC we are learning about our environment and one of our objectives was to create artwork from natural materials. We achieved this beautifully!

Year 3 & 4

We have started the New Year with a bang. In Mathematics we have revised counting and place value. In English we have learned how to create a plot for a story. Discovered poetry and loved the silly rhymes in our phonic lesson. It's great being back in class and we all having such fun learning.

Year 5 & 6

Working hard on
our soft skills
Teamwork
Problem solving
and time
management

We work hardbut also play
hard..

Art & Music

In Art, we were learning about the jungle, and we painted foliage. We also practiced preparing clay modelling.

In Music, we have been practicing singing the national anthem and making melodies on marimbas.

Physical Education

Our focus has been improving general fitness and cross-country running technique.

Afternoon Activities
